Mr. Robert Quinn,
National League Baseball Club
of Boston, Inc.,
Commonwealth Ave.,
Boston, Mass.

Dear Mr. Quinn:

In looking over the schedule we see that Hartford, Conn. is away from home on Sunday, May 26th. We would like to secure the Park to play a Negro National League game between the Eagles and Cuban Stars. The Cuban Star's team will have a local Hartford Boy, a pitcher named Johnnie Taylor, we felt that it would be profitable to go there and play one day.

If you do not have the renting of the Park in your office, kindly send me the name and address of the proper party to contact.

Thanking you very much for your co-operation.

Very truly yours,
